

## The pit stop for all your convenience needs

Hub Convenience is the convenience store that cares about travelers' well being by offering them qualitative, fresh and healthy food and a selection of travel-adapted convenience products.

Hub Convenience prides itself in its focus on fresh and healthy food and products. It communicates this difference through its retail design and product selection, and conveying an idea of freshness and healthy living - the vibrant green walls and signage are eye-catching and evoke a crisp green apple.

The Hub Convenience product assortment is composed of fresh and healthy options in grab-and-go formats, as well as daily fresh food that present a healthy alternative to standard airline food.
