## hubiz

## The smart break on your daily way

Dedicated to commuters and conveniently located along their daily journeys, Hubiz offers a smart assortment of products that change throughout the day, as well as convenient and innovative services, facilitating busy commuters' daily life and providing them with a bubble of freshness.

Hubiz has been designed to fit commuters' mindset and their pace - with a strong link between the offer and mobility - such as food to go. The assortment changes throughout the day, depending on whether it is the morning, midday or the evening.
